AP French Language and Culture Course

This course is recommended to students with an average of 80% in grade 11 in their FLA 20-1 class. This course is for motivated and self-directed learners. Students **may earn** 1st year university credit for the course or receive advanced standing and enter the second year course directly. The revised AP French Language and Culture Exam will assess student proficiency in the three modes of communication (Interpersonal, Interpretive, and Presentational) and will continue to feature multiple-choice and free-response questions. A thematic structure enables students to study a variety of concepts in interesting, meaningful, engaging contexts along with a focus on the learning objectives of the FLA 30-1 program of studies. Students will develop an awareness and appreciation of aspects of the target culture, practices and perspectives. [AP Central College Board](#)

We offers a French AP course during the second semester out of the regular schedule of each calendar school year.
