is at your fingertips***

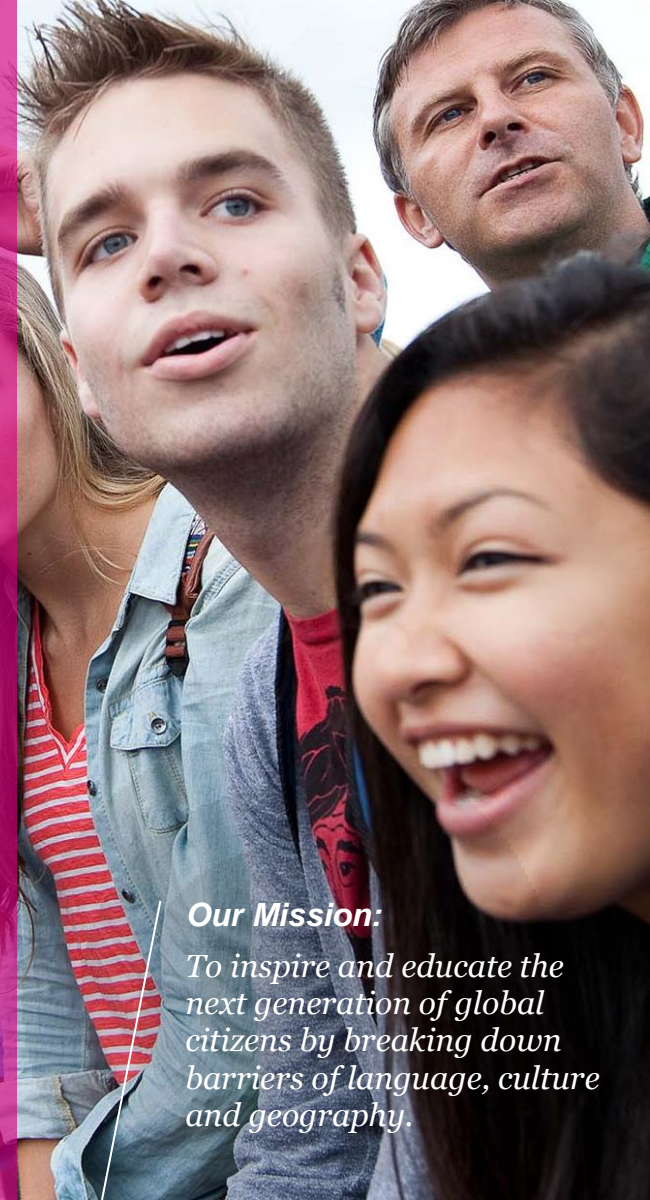

The world leader in international education

One mission. 15 million students.

- Established in 1965
- Worldwide presence with over 400 schools and offices in more than 50 countries
- Experiential learning opportunities for students and educators of all ages, including:
 - Educational Tours
 - High School Cultural Exchange programs
 - Language Schools
 - Hult International Business School

Our Mission:

To inspire and educate the next generation of global citizens by breaking down barriers of language, culture and geography.

A tour guide, a woman with short brown hair wearing a patterned top and a name tag, is pointing with her right hand at a brochure of the Colosseum. She is smiling and gesturing with her left hand. In front of her, the backs of several tourists' heads are visible; one woman has blonde hair and wears a green shirt, another has curly brown hair and wears an orange shirt with a blue backpack. The background is the vast, tiered interior of the Colosseum in Rome, with many arches and some distant visitors.

***Your safety.
Our priority.***

- Safety first through our world wide network of support
- 24/7 support & service
- Experienced Tour Director
- Group Leader training
- Reliability & security

Travel changes lives

- **Create life-changing memories** on the trip of a lifetime
- **Find your own way** and develop real life decision-making and problem-solving skills as you develop your confidence
- **Gain an academic edge** by experiencing your lessons in ways that bring them to life
- **Build your future** and drive to achieve academic, professional and personal goals.

Past EF travellers have gone on to become leaders in their fields, true global citizens and lifetime travellers.

A young man with a backpack is looking out over a historic city at sunset. The sun is low in the sky, creating a warm, golden glow. In the background, there are historic buildings with domes and arches. The man is wearing a white shirt and a blue backpack. The text is overlaid on the left side of the image.
