Career Practitioner

Career Centre – Room #203 – Learning Commons (Library)

T: 403-289-2551 (ext. 2430)

E: brchapman@cbe.ab.ca

TO: PARENTS, GUARDIANS AND STUDENTS

Career investigation and exploration is an integral part of the Career Planning process. For the past three years, C.S.I. (Career Scene Investigation) has been going strong. Since its inception in 2012, there have been 150+ industry professionals showcase their careers to Grade 10, 11 and 12 students – heightening the student's awareness of career options.

All Grade 10, 11 and 12 students are invited and strongly encouraged to attend the C.S.I. presentations of choice. They are held at lunch on designated days in the Learning Commons (Library). C.S.I. schedules are posted around the school, in the daily bulletin, and on the Aberhart website.

The challenge of many high school students is planning a path of education that correlates with careers of interest. With the assistance of the Guidance Counsellors, Teachers, Career Practitioner, and by attending C.S.I. presentations, the students are better equipped to make more career-focused academic choices.

Grade 11 and 12 students enrolled in C.A.L.M. (Career and Life Management) receive up to 10% of their Career & Life choices module mark by attending C.S.I. presentations.

STUDENTS: *We need your C.S.I. suggestions!* Which careers would you like to see showcased at C.S.I.? Email your career suggestions to Ms. Chapman, Career Practitioner, at brchapman@cbe.ab.ca or pop by the Career Centre – Room #203 in the Learning Commons (Library).

PARENTS/GUARDIANS: *We need C.S.I. presenters!* Do you love your job? Would you like to share the particulars of your career with our students? Or do you know of an industry professional that would be interested in doing so? If yes, please contact Brenda Chapman, Career Practitioner, at brchapman@cbe.ab.ca or 403-289-2551 (ext. 2430).

If you have any questions, please contact me.

Thank you for your support.
