# WASC APPLICATION FORM

---

## *Calling on Aberhart Students!*

The William Aberhart Student Council is now looking for anyone and everyone, who would be interested in being part of this council. We are looking for people who are motivated, effective communicators, who can work well with a team, and can show leadership in relationships between students and administration. Our goal is to represent as many students throughout the school. This is a group that will demand your full participation and attendance at our meetings. We meet every Tuesday at lunch, so it is important you are available at that time.

If you are interested in joining the committee, fill out the following information and submit it to the **Main Office before October 13<sup>th</sup>**.

## *What are we?*

The William Aberhart Student Council (or WASC) is a student led initiative. Our goal is to create and maintain a healthy and constant relationship between the different elements of William Aberhart High School. We believe that by creating better communication between the staff, students and parents of our school, we will improve Aberhart as a whole. We want to make sure that our already fantastic school has the absolute best environment for learning, teaching and enjoying our high school years.

Even though a healthy partnership with Aberhart's principal is important to our projects, it is just as important to us that we are here for the principal and admin. One of our responsibilities is to provide honest and constructive feedback to assure that the student voice is presented in a useful and proactive manner. We have a variety of perspectives that allow for diverse and creative feedback whenever the student body needs to be represented.
