

To: Parents, Guardian, and Students

The Career Scene Investigation (C.S.I.) program, introduced in September 2012, has continued to be favorably received and well attended by Grade 10, 11, and 12 students. C.S.I. is an opportunity for industry professionals to serve as mentors, and to educate, showcase, and heighten student's awareness of career options available in certain industries.

Over the past two years, approximately 100 industry professionals spoke about their careers with students. In the upcoming school year, the C.S.I. presentations will be held during designated lunch times, eight months out of the year. All Grade 10, 11 & 12 students are invited to attend C.S.I. presentations. Students enrolled in the Career and Life Management – CALM course (taught by an “Aberhart” teacher) will receive marks for attending C.S.I. presentations. Information detailing the dates and presenters will be posted in the Student Bulletin, around the school, and on the website.

STUDENTS: *We need your suggestions!* If you would like to have a certain career highlighted, send your request to Ms. Chapman via her email at brchapman@cbe.ab.ca or pop by the Career Centre (Room #203 in the Library).

PARENTS/GUARDIANS: *We need presenters!* Do you love your job? Would you like to share the particulars of your career with our students? Or do you know of an industry professional that would be interested in doing so? If yes, please contact Brenda Chapman, Career Practitioner, at brchapman@cbe.ab.ca or 403-289-2551 (ext. 2430).

If you have any questions, please contact Brenda Chapman. Thank you for your support!
