

**Objectives of Friends of Orange Athletics Association:**

The objectives of the **Friends of Orange Athletics Association** are:

1. to support sports and recreation to members and non-members in the NW communities that feed into William Aberhart High School ;
2. to undertake fundraising;
3. to encourage donations of funds, skills and services from among the membership of the society and the broader community and region;
4. to give, loan or donate money, property, equipment, furnishings or supplies to deliver programs, to promote sports and recreation to students, or to support the school community; or provide funding for special program
5. to pay the expenses of providing beneficial programs, activities, experiences and opportunities, including but not limited to, those of an athletic, charitable, recreational, social or vocational nature; and
6. to encourage and foster among its members a recognition of the importance of broad-based community support to the achievements of students and educators at the high school level.
