

## **WILLIAM ABERHART ADMINISTRATION INFORMATION**

### **Students Arriving after September 2, 2014**

If you know that your student will not be here on September 2<sup>nd</sup> for the first day of school, please inform the school by letter, fax, or email to let us know when the student will arrive. We start removing students from classes if they have not arrived and we have no information on file.

### **Change to Lifetouch Photo Program**

Students and Parents have asked about getting picture proofs from the photographer, so this year, Aberhart is changing student pictures from a pre-paid program to a proof program. The [attached letter](#) from Lifetouch will explain how this program works and should answer any questions you may have.

### **Student Photo ID**

**Students may be denied entry to the school and/or class, and access to textbooks and library materials (your photo and CBE ID number are required), if they cannot produce CBE/Aberhart photo ID when asked to do so.**

If lost, students must replace their photo ID in the library for the cost of \$3.00. **ALL VISITORS** will be asked to sign in at the main office (second floor) immediately upon their arrival where they will be issued a visitor tag to be returned when they sign out.
