1. Check off which AP courses you plan on taking during your studies at Aberhart. Why are these AP courses important to you?

☐ Biology ☐ Chemistry ☐ Physics ☐ Math ☐ Comparative Government
☐ English ☐ French ☐ Spanish ☐ Computer Science

2. Given the additional expectations that an AP course will require, how will you find balance between school work and other aspects of your life?

PART II

To be completed by Parent(s)/Guardian(s).

I understand that William Aberhart Advanced Placement courses can be: fast-paced, involve more topics, delve deeper into those topics, and require a time commitment beyond the regular Alberta curriculum. I recognize that post-secondary level academic content will be covered by my son or daughter in the grade 11 or 12 year, and my child would be expected to honor his/her or their AP commitment for the full year to Grade 10AP level course(s). For more information about the Aberhart AP program please go to the school website.
