The French Immersion program has been part of Aberhart for 32 years! Students who enroll in the French Immersion Program at William Aberhart High School are expected to make **the commitment** to remain in the program for the **three years** in high school. Our counsellors rely on information from the junior high school counsellors and Immersion teachers regarding potential for success at the senior high level. Your decision to continue in Immersion should be based on your achievement and motivation in the continuing junior high or late Immersion program.

Program expectations

The following policy guidelines apply to all French Immersion students:

Students enrolled in the French Immersion Program must show commitment to their French Immersion studies by **speaking French at all times in all classes where French is the language of instruction**. All courses follow the Alberta Curriculum and therefore are part of the regular program leading to the High School Diploma.

- ✓ Students need **45 credits** (15 French Language Arts, 15 Social studies & 15 in Mathematics) to earn the **(CBE) - Certificate of Achievement in French Immersion**.
- ✓ Math 31F cannot be substituted for **any** 30 level FI courses. However, a student can complete their FI program with **50 credits**.
- ✓ At ABE, a French Immersion student **MUST** take a minimum of 2 FI course at ABE per school year.
- ✓ However, in some cases, if a student **cannot complete all 45 credits in FI**, an official school "Letter of recognition in French Immersion" with the number of credits completed, to any student who completed **35 or 40 credits** of the 45 credits. FLA must be taken for all 15 credits.
- ✓ Students enrolled in FI must finish the school year in FI before enquiring for a program transfer. A case by case will be considered for all grade 10 students. Students who are not successful in the French Immersion Program or who decide to withdraw from the program **may be directed to their designated English program school for the next school year**.
- ✓ Our guidance counsellors, learning leaders, learning strategist and language teachers are available to **assist** students and parents in their decisions.
