

Mr. Ferguson is retiring

I would like to take this opportunity to thank all of the parents, students and staff at William Aberhart for your support and your patience over the past 5 and a half years. My experience at William Aberhart was both exciting and challenging. My many memories will include sport activities, band and jazz concerts, drama and dance presentations, turkey fest, special events and grad. I learned so much in a very short time. This was due to the combined efforts of the teachers, students and parents all of whom made my job a fun one to come to every day.

There is a part of me that is very sad to leave Aberhart, as I am leaving a great school. But another part of me is very excited to have the opportunity to spend more time with my family and new adventures that comes with retirement.

I would especially like to thank my admin team for their leadership, their ability to share their experiences that helped me to run an exceptional school. My team was always willing to share their knowledge and expertise with me. They trusted my decisions, and believed in my leadership. Thank you for your support.

In order to inform the selection of a new principal for January, Susan Church, Director of Area II, would be pleased to receive input from parents regarding the programming and leadership attributes you value. This will be done through an online survey. This position will be posted and candidates short listed. The Area II Director and Human Resources personnel will interview candidates and make a recommendation to the Chief Superintendent regarding a candidate. Your input is taken into consideration as part of the hiring process. This input is also shared directly with the successful candidate to inform the entry plan into the school. Details on how to access the online survey will be posted on the school's website shortly.

Aberhart parents and students will always hold a special spot in my heart. To present and past students thank you for the memories and good luck in your future endeavors.
