

register for a My CBE Account

What is a My CBE Account?

A My CBE Account allows you to access information about children registered in CBE schools.

Before you set up a My CBE Account

Setting up an account online is quick and easy, but there are a few things that must be confirmed before you register. The person setting up a My CBE Account must:

- be a legal guardian;
- use the same email address the school has on file; and,
- have their child(ren)'s CBE student ID numbers (can be found on student report card).

Create a My CBE Account from the CBE website

Click on the following website: <https://webapps.cbe.ab.ca/myaccount>

New Users: create an account. Existing Users: Log in.

Add your child(ren) using their CBE student ID.

Once you set up a new account, you will receive a confirmation via email... You must click on the 'complete process' link in the email to activate your account.

Using your My CBE Account from the CBE website
