

William Aberhart School Council
Friends of Orange Association

Dear Aberhart Parents:

Summer is finally here! I hope you are ready for some rest and relaxation after a long school year.

Please find attached a letter regarding information for the upcoming school year. Please take time to read it and if you have any questions or concerns, you can contact me at susan.bennett@pointgeomatics.ca.

Registration days for the new school year will be on Aug. 24 for the Grade 12's; Aug. 25 for the Grade 11's and Aug. 26 for the Grade 10's. The School Administration is trying to make this a one –stop day where students will complete their required tasks before school starts: including 1.photos and ID cards, 2.paying of fees,3. Student timetable, 4.text book pick up. To that end, they are requiring some volunteer help from the parent body.

We are looking for 8 volunteers to assist over those days. We will be manning the fee and yearbook table, book room, and assisting with directing students in the school. Perhaps you can volunteer when your student comes to register? You can contact me at the email address above. First come- first served. We really appreciate the assistance. Volunteers will be required from 9:00 am to 2:00 pm. If we have more than 8 volunteers, the shifts will be shorter!

I hope you all have a safe and happy summer.

Regards,

Susan Bennett
