The Student Success Centre (Room 317) is open during school hours for students on an Individual Program Plan (IPP) who want a quiet environment to work, study and write a test. We have computers for student use, several large tables for individual or group work, and a separate extra-quiet exam room.

Our Learning Strategist, Mrs. Andrée Belhumeur, acts as a liaison between students, parents, teachers, and guidance counsellors to ensure students receive all the necessary support and accommodations. All students with specific needs have access to the tools and materials they need to support their learning:

- Creating a learning profile
- Learning assessments
- Individual program plans
- Assistive technology and learning resources
- One-on-one or group support with a Learning Strategist
- Quieter learning space to work, study, or write a test when it is possible
- Accommodations and supports for students with learning needs and/or attention challenges
- Help with: self-advocacy, attention and concentration in the learning process/strategies, memory skills needs, organizing skills, time management skills, reading skills, writing skills, test preparation and study skills
- Support with transition from grade 12 to post-secondary opportunities for students with IPP's

The Completion Centre (also room 317) is open Monday to Thursday after school until 5:15 p.m. It is available to all students who need to make up missed assignments or tests.
