WILLIAM ABERHARI SUMMER SCHOOL INFORMATION

SUMMER SCHOOL - IN CLASS

Summer School is offered through Chinook Learning Services:

http://www.chinooklearningservices.com/SummerSchool/SumSchool10-12.html

- Offered at various locations in the city from July 4-28th.
- Classes are scheduled from 8:15 am 12:35 pm.
- The closest location is Sir Winston Churchill. Not all courses are offered at each location.
- Summer school is ideal for repeating a course to improve your understanding.
 If you must take a course for the first time at summer school, please discuss
 this decision with your Guidance Counsellor. It might make sense to take a
 course that will not be included in your grade point average for admission to
 post-secondary.
- French Immersion courses and most complementary courses (options) are not offered at Chinook.
- It is not advised to take a course that is required for post-secondary admission the summer after Grade 12 because grades will not be available to the postsecondary institution in time for fall admission.
- Grade 11 students may not be able to take 30-level courses due to class sizes. We will give Grade 12 students priority for 30-level courses.
